PRESS RELEASE

FOR IMMEDIATE RELEASE

Congresses for the Worldwide Laminates Industry:

Laminates Conferences in 2005/2006

Subtitle: The first Pan-American Laminates Conference and Workshop was successfully held in Montréal, Canada, from 4 to 6 October 2005. The next European Laminates Conference and Workshop will be held in Prague, Czech Republic, from 4 to 6 April 2006.

Langenzersdorf, 20 October 2005 – The first Pan-American Laminates Conference and Workshop was held in Montréal, Canada, from 4 to 6 October 2005. Following the success of the previous conferences in Vienna, Shanghai and Berlin, this event was the final step towards the globalisation of this series of meetings. The Laminates Conference and Workshop is now a truly global event, serving the laminates industry worldwide.

The conferences are sponsored and supported by a group of worldwide industry leaders: Dynea, Hymmen, Stora Enso, Technocell Dekor and Vits Systems.

A total of 173 delegates from North America, South America, Asia, Europe and Australia met at the Sofitel in Montréal. After welcoming remarks by Conference Chairman Kurt Fischer, Managing Director of Technical Conference Management, Hans-Christoph Gallenkamp, Senior Vice President of Technocell Dekor, gave the Keynote Lecture outlining the motivation of the sponsors to offer the industry a worldwide forum for meeting and exchanging ideas.

16 technical and market related papers were then presented at the conference, leading to lively discussions on technical issues as well as on design and market developments. Discussions were continued during 12 Workshop sessions in the afternoon.

The social highlight of the event was the conference dinner at the prestigious Mount Royal Club, where delegates enjoyed an evening of dining and gambling.

European Laminates Conference and Workshop 2006 – Call for Papers

The next European Laminates Conference and Workshop will be held at the Intercontinental Hotel in Prague, Czech Republic, from 4 to 6 April 2006.

Authors interested in presenting a paper at this conference or moderating a workshop discussion group should submit a proposal to the address of Technical Conference Management before 15 December 2005. All proposals will be reviewed by members of the program committee.

-End-
