260 delegates attended conference in Vienna:

European Laminates Conference and Workshop 2008

Subtitle: The fourth European Laminates Conference and Workshop, held in Vienna, Austria, from 8 to 10 April 2008, was a great success for the delegates and the organizer.

Langenzersdorf, 18 April 2008 – The fourth European Laminates Conference and Workshop was held at the Marriott Hotel in Vienna, Austria, from 8 to 10 April 2008. A total of 260 participants from around the world (110 for the Workshop and 240 for the Conference) attended the three-day-event and discussed recent developments in the global laminates industry. The Workshop on digital décor print and the panel discussion on exterior applications were of special interest for the delegates.

Social highlights of the conference were the Laminating Papers Reception and the Borealis Conference Dinner.

The conference was sponsored and supported by a group of worldwide industry leaders: Borealis, DTS Systemoberflächen, Millennium Inorganic Chemicals – A Cristal Company, Hexion Speciality Chemicals, Berndorf-Hueck, Ahlstrom, Baumer Inspection Systems, Dynea, Bürkle, Durst Phototechnik, Sun Chemical – Hartmann Druckfarben, Laminating Papers, MeadWestvaco and DSM Melamines.

Images of the event can be found at www.tcman.at. High resolution versions of the images are available upon request.
